

# **DELHI PUBLIC SCHOOL, GANDHINAGAR**

**Academic session 2018-19**

## **Event Report**

<b>Title: Environmatics Week</b>	<b>Date: 9 –Jan to 16-Jan.-2019</b>
<b>Venue: Resource Room</b>	<b>Class: II</b>

### **About the Event**

The Primary Wing of Delhi Public School, Gandhinagar organised the 'Environmatics Week' from 9-Jan to 16-Jan.-2019. The event was a fantastic opportunity for the students of Std.:- II to showcase their talent and creativity in subjects such as Maths and EVS.

### **Objective of the Event**

1. To motivate students towards subjects such as Mathematics and Environmental Sciences.
2. To stimulate interest in the subjects through creative means.

### **The Event and Participation**

The 'Environmatics Week' was celebrated with great enthusiasm at DPS Gandhinagar by the students of Std.:- II. All the students participated in different Maths and EVS activities which were designed to challenge their thinking and develop their problem solving skills. The students prepared different models and charts on various topics allotted from the subjects of Maths and EVS. Students showcased various mathematical tricks and brought interesting models and charts according to their level such as Tens and Ones, Abacus, Mathematical 3D Shapes, Addition and Subtraction, Measurement, Multiplication and Time. The parents aided the students to prepare the various creative models. The topics of EVS projects were: We need Shelter, Safety and First Aid, Water, Travel and Communication, The World Around us, Landforms, Healthy and Junk food, The World of Plants and Clothes. The teachers appreciated the efforts of the participating students and encouraged them to take part in all future activities and events. The models and charts were displayed in the Resource room for all to see. The efforts of students were highly appreciated by all including the parents who visited the school during the Parent Teacher Meet (PTM).

A few glimpses of the Environmatics Week are as below
