Title: Cartoon Day	Date: 13/08/18
Venue: Pre- Nursery classroom & Audio Visual Room	Class: Pre-Nursery

Cartoon is an essential part of everybody's childhood and without a doubt the most entertaining aspect in every kid's life. They help kids to learn about the world around us, about new emotions, life issues and other important things. The Pre Nursery students celebrated Cartoon Day on 13th August 2018. The children came dressed to school in their favourite cartoon character and were delighted to see their peers in a similar fashion. Each child spoke on how their favourite cartoon influences them in their daily lives. An hour of educationally oriented cartoon watching as included in the day's activities inspired the children to dance and to talk in a new, imaginative language. Children live in a fantasyland of their own, where cartoon characters create a world to which they are able to relate themselves. These characters give them an extra energy and joy. The Cartoon Day was a day full of positive messages and one to rejoice. It bonded the kids well and brought out the best childhood innocence.
