Graduation Ceremony

A wonderful way to end a memorable school year is to have a Graduation Ceremony. Delhi Public School – Gandhinagar organized 2nd Graduation Ceremony for the young and enthusiastic learners of Pre-Primary on **1st March 2019**. The occasion was graced by Mrs. Harsha G. Ramaiya who is an eminent Blogger, Vlogger, Educationist, Parent Counsellor, Motivational Speaker and the National Core committee member of Early Childhood Association. The celebration commenced with the welcome of the Chief Guest by School Principal Mr. Atanu Rath. It was followed by lamp lighting and Saraswati Vandana to evoke the blessings of Goddess Saraswati. Pre-Primary Incharge of Pre-Primary Wing Ms. Neeti Jain in her address, highlighted the vision of the school and read the annual report. After this, the graceful dancers of pre-primary left everyone spell bound with their mesmerizing dances and drama on the theme of “Save Earth.” The tiny tots looked graceful and elegant when they walked smartly on stage dressed in Graduation robes and caps. The Director, Principal and the Chief Guest felicitated students with certificates of graduation. The chief guest addressed the gathering and stressed on the importance of being patient and receptive with the children.

Principal in his address inspired the students with his words of wisdom. The programme concluded with the vote of thanks proposed by Ms. Kajal. The occasion concluded with the wishes in the heart of each and every teacher for our young graduates, "I hope your dreams take you to the highest of your hopes, to the windows of your opportunities and to the most special places your heart has ever known."

A VISIT TO THE ENTREPRENEURSHIP DEVELOPMENT INSTITUTE OF INDIA

The students of Class XI got an opportunity to visit EDII on **22nd February**. EDII has been a pioneer institute in promoting entrepreneurship for over thirty years through training, research, education and institution building.

The students were addressed by Dr. Chandan Chatterjee, Senior Visiting Faculty, EDII. He talked extensively regarding the change in the “attitude” that can develop entrepreneurial skills in everyone. He urged the students to take initiative at all levels to develop entrepreneurial attitude and to know the difference between business and entrepreneurship. He also threw light in making the students know the difference between ‘Make in India’; ‘Made in India’ and ‘Made for India’. He also discussed the concept of Start-ups and how business bothers about the capability of an entrepreneur rather than who the entrepreneur is. He talked about the three ‘S’- skill, scale and speed that can lead an enterprise towards success. He laid emphasis of seeking ‘Waste as Wealth’ which will not only help in resource management but also lead us towards a better tomorrow.

The MSME (Micro Small and Medium Enterprise) Day is celebrated on 27th June every year by the Gujarat Government and their aim is to motivate the indigenous start-ups to establish themselves at a national level by providing them with financial, technological and administrative support.

The students were blessed to further interact with Dr. Sunil Shukla, Director, EDII. His enigmatic presence left an indelible mark on the minds of all the students and the faculty present there. On being questioned as to which course one should pursue to develop innovative thinking and entrepreneurial building, he answered that only a professional course like medical, law or engineering can define the career in those fields. However, to become a competent entrepreneur one needs no age, time or academic qualification. It is all in the mindset that can determine the success of an entrepreneur.

Dr. Shukla also laid emphasis that Entrepreneurial Development is not restricted to the stream of commerce, but any student pursuing any career path can become nation builders and entrepreneurs of tomorrow.

Overall, the experience was filled with new learnings and new mind sets and provided a lot of takeaways for the students of DPSG.
