Title: Teachers' Day Celebration	Date: 5 September 18
Venue: Atrium	Class: 1 to 5

'Teaching is not just a profession. It is a divine responsibility to guide and enlighten'

About the Event

The Primary Wing of Delhi Public School Gandhinagar celebrated Teachers' Day on 5 September, 2018. This day is celebrated every year on 5 September to commemorate the birth anniversary of India's second President Dr. Sarvepalli Radhakrishnan. It is also celebrated to pay tribute to all the teachers and to thank them for their role in moulding students into responsible citizens and creating an ideal society.

Objective of the Event

- To make the student aware of the great scholar Dr. Sarvepalli Radhakrishnan.
- To enable the students understand and appreciate the importance of education.
- To provide the students with an opportunity to show their gratitude towards their teachers.

The Event & Participation

As part of the celebrations various special events were organised by the students of Primary Wing to show their gratitude towards teachers. The main highlights of the special assembly were: an emotional song 'Mili Yeh Prerna Jinse' by the students of standard V, an enthralling dance performance on the song 'School Chale Hum' by the students of standard III and IV and heart warming speeches by the students of standard I and V respectively. The students of standard V displayed their love towards the teachers very creatively by designing a beautiful chart, showcasing the photographs of all the primary teachers along with their individual personality traits. The best class from each standard i.e. I to V for the first term were declared by the Headmaster of Primary Wing, Mr. Rakesh Kumar Bhagat. These classes were felicitated with 'Best Class Trophy' by the Principal, Mr. Atanu Rath. He addressed the students and emphasised that all the students should respect their teachers. He further stated that each and every student should learn to do their self analysis as each individual is his/her best teacher. A small quiz round based on Dr. Sarvepalli Radhakrishnan was conducted for the audience by a student of standard 5. The assembly concluded with a tree plantation program.
