

DELHI PUBLIC SCHOOL GANDHINAGAR

APOGEE 2019-20 The chapter of success

FROM PRINCIPAL'S DESK

"Opportunities don't happen. You create them." Chris Grosser

Today's world belongs to a progressive, free-spirited, young and energetic generation. In order to nurture these young minds, the education system has to mould itself into a multi-faceted learning platform that can metamorphosize these budding learners into world leaders.

At DPS Gandhinagar, we inculcate a cohesive and comprehensive value system in each student that strengthens their knowledge, personality and overall mental agility. All this is done through a team of highly qualified, trained and experienced educators. The school curriculum is vetted and designed to cater to the holistic development of the children. Academic excellence has always been our top priority and to reinstate superior learning, we provide opportunities to our students to participate in various External Examinations in the form of Olympiads and other subject-related programmes.

Systematic planning of co-curricular activities to facilitate integrated learning is done at all levels of the Institute. The child not only exhibits creative talent, but also enhances visual, auditory and kinaesthetic proficiency in all fields. Every event is duly celebrated with a thought-provoking theme that compels the participants to enrich themselves in all forms.

DPS Gandhinagar takes immense pride in its sports facility that encompasses an array of physical, mental and fitness activities. Our sports faculty provides wholesome training to the students who further bring accolades at Zonal, State and National Levels.

We believe that DPS Gandhinagar is a trusted brand that has manifested into the lives of all those who have chosen to make a difference in this world. We have created an ineffaceable niche that has been contributing towards a prosperous and transcendent society.

Presenting the Apogee 2020, an e-magazine that encapsulates the achievements / happenings of 2019-20 in brief.

God bless the students of DPS Gandhinagar to progress further and scale higher rungs of success. Heartfelt gratitude to the School Management for their vision and parents for their

unstinted support / cooperation.

There are only two lasting things we can hope to give our children:

One is **roots**; the other is **wings**.

BOARD RESULTS

Delhi Public School Gandhinagar has given outstanding results in Class X and XII, for over a decade.

The students are nurtured throughout the year in conceptual learning as well as presentation skills. The students are primed to get accustomed to the Board pattern of examination as prescribed by CBSE. DPSG conducts various preparatory assessments to boost the confidence of the children appearing for Board examinations. They are given invaluable tips to enhance the presentation of answers and effective time management. In the year 2019-20, our students once again exhibited academic adroitness in AISSCE and AISSE.
