*'Education is the key to unlock the golden door of freedom.'*

#### About the Event

The Primary Wing of Delhi Public School, Gandhinagar organised library activities for the students of standards III to V in order to inculcate the habit of reading and interest towards books.

#### Objective of the Event

- To inculcate interest amongst the students towards reading so as to enhance their general awareness and help make books their best friend.
- Learning from the real experience of others to help young people grow into successful and responsible future citizens.
- To enable students to not only attain knowledge but also to enhance their social and moral values.

#### The Event & Participation

Age appropriate library activities were well planned for the students of various standards. A group activity on 'Moral values' was conducted for students of Std.III. They were asked to write about on good thoughts and values of life using coloured paper. It turned out to be a great learning exercise for all the students.

A group activity 'Biography' was conducted for the students of Std. IV. The students chose well known personalities from different fields such as sports, politics, authors amongst others and compiled information on them i.e. their life history, achievements, struggles etc. Learning about the life story of a successful person can teach essential life skills to all the students.

Students of Std. V were assigned the activity to make book cover. All the students exhibited wonderful creativity by making very colourful and beautiful covers. This activity encouraged them to maintain their books properly.
