Travel to SERBIA

International Football & Tennis Sports Camp in Belgrade is intended for kids from 12 to 18 years of age, who want to take their skills to the next level, make friends from different countries, and enjoy a holiday in SERBIA

Belgrade | Sports

Belgrade offers more than thousand sporting facilities for almost all sports and activities. While football clearly reigns Serbia's sports scene, Belgrade also offers plenty of great alternatives like basketball, tennis, badminton, golf, volleyball and fishing.

Belgrade has hosted several major sporting events recently, including Eurobasket, the European Volleyball Championship, the European Water Polo Championship, and the European Youth Olympic Festival. Belgrade was the host city of the 2009 Summer Universiade chosen over the cities of Monterrey and Poznań. Belgrade Marathon Race is the largest and the most mass attended sporting event in Serbia.

Belgrade is also home to two football teams, Red Star (Crvena Zvezda) and Partizan, which have achieved remarkable success and have become famous all over the world along with their players.

With more than 1,000 sporting facilities like Belgrade Arena with seating capacity 20,000, swimming pool Tašmajdan, stadiums of FC Red Star and Partizan, Pionir Hall, Belgrade is ready to meet any sports challenge.

Belgrade Arena, meeting the latest standards and technology became Belgrade's trademark and one of the new symbols of the Serbian capital, as well as the place of interest for the visitors to the capital. Together with Prague Arena, it ranks as one of the best of its kind in Europe.

Belgrade has also given rise to several world class tennis players such as Jelena Jankovic, Ana Ivanovic and Novak Djokovic.

Improve your skills and game with professional coaches and trainers

Vrnjačka Banja

The **Sport and Recreation Center** of Vrnjačka Banja is open to international students for coaching and has three grass football fields and athletic track where renowned clubs come to train, while the **Sports Club - Kocka** offers fields for football, basketball and handball. An indoor pool is open all year round for swimming and water polo and in summer months there is an outdoor Olympic-sized pool. Other sporting facilities in the area are suitable for volleyball, martial arts, table and regular tennis. **Mitrovo Polje** has a thermo-mineral water pool and facilities for beach volleyball, basketball and football.

One of the most celebrated and popular town of Serbia and a very attractive recreation center. Surrounding the city are UNESCO protected medieval buildings, which serve as a reminder to early European civilization. Other landmarks include the first court of the Serbian Archbishop and beautifully frescoed monasteries which date back to the twelfth century.

Serbian Institute of Sports

The Serbian Institute of Sport and Sports Medicine is a unique center that integrates sports and recreation under one roof. As the only specialized institution whose two primary areas are sports and sports medicine, have developed a multi-disciplinary system, which now operates at the highest standards.

Infrastructure includes outdoor and indoor swimming pools, sports hall, tennis, soccer and other courts, trim track and the Trim hotel, which provides accommodation for the athletes.

Professional athletes, recreational athletes, children and all others interested in sport receive top quality service at the Institute by professionals and specialists. The Institute has set up teams to perform tests, analytics and scientific and other research in order to improve the professional sport and general health.

Since its foundation, the Serbian Institute for Sports Medicine has focused its research on professional athletes. Continuous research is a treasure trove of valuable information in creating policies, which deal with the highest achievements in top sport, and also contribute a great deal to proper development of children. All the activities are done in collaboration with the Ministry of Youth and Sports of Republic of Serbia.

The Serbian-Institute of Sport and Sports Medicine, is pleased to open International Sports Camp for kids. Ranked as one of the best nations for Sports Coaching and Infrastructure, Serbia has been appreciated for pioneering initiatives for youth development. Your ward's participation in this program will be an enriching experience in learning.

During the program at the sporting facilities in Belgrade, students will be trained in a multicultural environment and will interact with international level athletes, coaches and trainers.

It will be a unique experience that will have an everlasting impact on their lives. A peek into the rich history and heritage of Serbia will not only lead to an enhancement of knowledge but will also make the tour a truly memorable experience.

Students will be in an ideal environment to develop their skills and practice
