

Greetings!

Dear Parents

One academic year is near its end and another will soon begin. This has been a year where schools have been in news and news reports but for the wrong reasons. As Private Schools we are extremely concerned with the new law and the attempt on the part of the State to entrench upon the autonomy of private schools. Our fight is on principles and is against the State Law which we believe is nothing less than draconian.

Today we are able to deliver what we can only because of our right to run the school with full autonomy. As parents you seek admission in our school despite the fact that there is a fully funded public education system of the State in the form of Government Schools, Government Aided Schools and Schools run by local authorities because you are equally conscious of the difference.

The recent past and malicious campaigns by a few groups of persons essentially for their private vested interest has sought to create a divide amongst the school managements and the parents. The said persons have also resorted to false and incorrect reporting regarding the new Act and more particularly certain provisions under the Act.

It has been suggested that the State Government has fixed the fees in all Private Schools across the State and across all Boards and the Fees so fixed are as under :-

Primary School: Rs.15, 000/- per annum
Secondary School: Rs.25, 000/- per annum
Higher Secondary School: Rs.27, 000/- per annum

It is also being suggested by such persons that Parents are not required to pay any fees to the school until the Honourable Supreme Court decides the pending proceedings. Being misled by such false statements many parents have paid fees as per the above statements; many parents have not paid the fees at all.

The Fact is that the Government has not fixed any such Fee for Private Schools across the State. This is also the stand taken by the State Government in the proceedings before the Honourable Gujarat High Court and the Honourable Supreme Court of India.

The Fact is that the Honourable Supreme Court has not by any of its orders provided that the Schools shall not be entitled to collect the fees until the proceedings pending before it are decided. **In fact each school is entitled to notify and to collect fees for the academic year 2017-2018 and 2018-2019.** The fees so notified shall be treated as **provisional fees** and shall be subject to the final outcome of the proceedings as provided for by the Honourable Supreme Court of India.

It is required to be appreciated that the school is charging the fees consistent with its costs of education. Fees have been duly notified. Every parent who has secured admission has full knowledge of the fees notified by the school. In absence of notified fees being paid it is not possible for the school to continue imparting education.

You have entrusted us with your children. They have spent and will continue to spend substantial part of their day time of their growing years with us. It is unfortunate that the trust that has remained all these years is sought to be injected with doubt and uncertainty. We are sure and confident that we shall withstand these trying times. We need your support and trust. **Please be assured that the fees being paid by you are provisional and in terms of the order passed in the proceedings pending before the Hon'ble Supreme Court.**

We therefore, request you to make payment of the fees as notified. The amount to be paid by you is appended overleaf. Kindly check the fee for the session 2017-18, notified in March 2017.

We thank you for your co-operation.

Warm regards,

For Delhi Public School, Gandhinagar, Management

Remark:

1. We expect and will appreciate if quarterly fee and annual charges are paid / cleared before the commencement of Annual Examination i.e. before 26th February 2018 (Monday); otherwise disciplinary action may be initiated.
2. School appreciates all those parents who have already paid fees on time. Their unflinching support has propelled proper functioning of school system and to reach greater heights.
