## DELHI PUBLIC SCHOOL GANDHINAGAR

GANDHINAGAR

Dear Readers

*Do it badly; do it slowly; do it fearfully; do it any way you have to, but do it.*  
~ Steve Chandler

The path to **success** is difficult. Pursuing your dreams takes hard work. Your ideas get rejected. People turn you down. You make **mistakes**. You feel alone and often defeated. You face speed bumps, obstacles and detours that seem insurmountable. You feel discouraged, disappointed and downtrodden.

There is one thing that will guide you through long days and difficult nights. It's perseverance. **Perseverance** is not a personality trait. It's a choice to persist, dig deep and take action when it feels like the world is working against you. It's the willingness to overcome exhaustion, resistance and unpleasant circumstances. It's the courage to work hard, stick-to-it and press on, no matter what.

Perseverance is a lesson that can be reapplied and revisited when you want to quit and give up on yourself.

*You never know what's around the corner. It could be everything. Or it could be nothing. You keep putting one foot in front of the other, and then one day you look back and you've climbed a mountain.*

~Tom Hiddleston

My heartfelt congratulations to students, teachers and parents for a purposeful and eventful year 2017-18 with lot of laurels into school's kitty. Your perseverance and dedication for success has been praiseworthy. We hope to stand together for another spectacular year 2018-19. God bless all of us.

### *Must Have Tips for Perseverance and Success*

- Work hard.
- Quiet the voice of resistance.
- Take action.
- Maintain enthusiasm.
- Be creative. Do the unthinkable.
- Act like a grown up. Take responsibility. Do it with a smile on your face.
- Do one more thing.
- Let go-bitterness, resentment and anger. Put your new found energy into your dream.
- Prepare. Be 110% focused on your work.
- Create a support network.
- Take care of yourself. Keep up your energy. Always make room for fun and play.

*Don't ever give up. Don't ever give in. Don't ever stop trying. Don't ever sell out. And if you find yourself succumbing to one of the above for a brief moment, pick yourself up, brush yourself off, whisper a prayer, and start where you left off. But never, ever, ever give up.* ~ Richelle E. Goodrich

## GRADUATION CEREMONY

*WE ARE READY FOR THE NEXT LEVEL*

Graduation is an exciting time. It is both an ending and a beginning. It is completing of preschool years and stepping into more formal and serious schooling, i.e. class I.

The first ever Graduation Ceremony was organized for the students of Pre-Primary section on 13th March 2018.

The chief guest was Mr. Pathik Shah (ECA Head of Gujarat) and Guest of Honour was Dr. Varsha Parekh (National award winner for best teacher).

The event witnessed mass participation by the students. The theme of the day was "Respect your parents". And look and behold! The tiny tots enchanted one and all with their performances on peppy numbers. Their vivacity, confidence on stage coupled with innocence and exuberance amazed everyone.

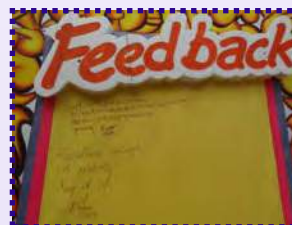

## ART EXPO 2018

*"AS THE SUN COLOURS THE FLOWERS, ART COLOURS LIFE"*

The most awaited weeklong (19-24 March, 2018) 'Art Expo' of DPS Gandhinagar was inaugurated by the Principal, Mr. Atanu Rath along with Head Mistress Ms. Manju Dabi, Headmaster Mr. Rakesh Kumar Bhagat, staff and parents.

The exhibits created throughout the year by the students were displayed in the Art Expo beautifully and systematically. Students got all appreciation for their extraordinary creative exhibits.

An array of topics on which students tried their hand were - Best out of Waste, Party Masks, Wall Hanging Mask, Decorative purses, Pot painting, T-shirt painting, Canvas painting etc. Students were appreciated for their outstanding work. It indeed was a visual delight.

## International convention on “Inclusive Education : Bringing Change in the Classroom”

An International Convention on Inclusive Education was hosted by Delhi Public School Gandhinagar, under the aegis of DPS -Society from 16 -18 April 2018 at Hotel Courtyard by Marriott. The Convention was attended by Principals and Counsellors of DPS Schools across the western zone along with Principals and counsellors of renowned educational institutions of Ahmedabad and Gandhinagar.

The convention aimed at bringing about awareness and acceptance of the special children in the main stream.

Mr.Apoorva Goenka, Managing Trustee, DPS Gandhinagar gave a brief insight of

the aims, objectives and achievements of Bholaram Education Trust over the years. Mr.Atanu Rath, Principal DPS Gandhinagar welcomed the guests and delegates and hoped that the Convention would provide a platform to all the stakeholders in the education field to re-define and re-design their curriculum.

The distinguished guest, Dr Vinita Kher - Director CEM, DPS Society and Director I/C HRDC, represented the DPS Society. Pro-Vice Chairman of the school- Shri Ramesh Goenka and Managing Trusty- Mr.Apoorva Goenka and Director Saaransh Foundation - Ms.Rani Choudhry too, graced the occasion.

Deliberations, brainstorming and interactive sessions on Inclusive Education continued with Resource Experts for three days.

## International Yoga Day

"Yoga - the union of body with the soul, cultivates the ways of maintaining a balanced attitude in day to day life and endows skill in the performance of one's actions." It integrates the mind, body and soul, aligns the breath and keeps one physically and mentally fit. It also helps to improve concentration and overcome stress. International Yoga Day was celebrated in the school premises on **21<sup>st</sup> June 2018**. The instructors for yoga were Ms Neerja Shukla and Ms Sarita Chauhan. Principal, Mr Atanu Rath along with the staff members and students of primary and secondary classes actively participated in the event to master the yoga postures along with correct breathing techniques. The students were made aware of the relevance of the yoga in daily life as it removes negative blocks from the mind and toxins from the body, helps in attaining focus and concentration that is especially important for the students. The programme commenced with the introduction of the benefits of yoga followed by a prayer to the Almighty for harmony in speech, thought and actions. Relaxation exercises were followed by Yoga Asanas which included standing, sitting, and supine postures.

# PRE-PRIMARY WING

## THE FIRST DAY OF THE YOUNGEST BRIGADE

The Pre-Primary wing of the school was festooned to welcome the youngest learners on the first day of the school, i.e. **9 April**. Vibrantly coloured flowers, balloons and welcome quotes gaily greeted them. The teachers stood at the entrance with welcome badges to make them feel at home. Warm hugs and soft words of the teachers comforted the kids and they mingled freely with each other. Subsequently, introduction of teachers and students was carried out. Interesting stories were narrated and musical rhymes spread much cheer and joy among the young students. To top it all, chocolates were distributed bringing smiles to their innocent faces.

Let's remember **"That as many hands build a house, so many hearts make a school"** with this beautiful thought the tiny tots of Pre-Primary wing celebrated the 15<sup>th</sup> Foundation Day of the school on 11<sup>th</sup> April 2018 with great zeal and vigour. It was a milestone in the journey of the school which has grown from humble beginnings to its eminent stature today.

## HAPPY BIRTHDAY MY ALMA MATER

Happy Birthday songs were sung and the young students were shown the photographs of the inauguration day and explained how the vision of Sh. Ramesh Goenka turned into a pulsating reality on **April 11, 2004**. Students visited different places in the school and enjoyed the day.

# PRE-PRIMARY WING

## LET'S KNOW OUR SCHOOL

“School”, being the second home, plays an extremely significant role in a child's life. The most important thing is to prepare them well for a responsible and meaningful life. Thus, it becomes imperative for new entrants to get acquainted with their second home. A tour of the school was organised on **19 and 20 April** for Nursery and Preparatory students. Chattering and chuckling down the corridors excitedly, they visited

Library, Infirmary, Computer lab, Reception, Canteen, Art and Craft Room, Music Room, Playground, Transport Department and interacted with Principal Sir, teachers and other support staff

who would be helping them throughout the year. Fascinated and amazed by the sprawling school campus, the little ones appeared very happy to be a part of such a school.

## RED DAY CELEBRATION

*“Though the best colour in the whole world is the one that looks good on you.”*

But **Red** colour draws attention and the amount of **red** is directly related to the level of energy perceived. Pre-Nursery students celebrated the colour of warmth and love on **23<sup>rd</sup> April**. All the little angels had dressed up beautifully in red colour clothes. Pre Primary teachers also followed suit. The classrooms were decorated with different red colour objects like cherries, strawberries, apples etc. The children were amused by the décor. The day began with introduction of Red colour and conducting different group activities like cotton dabbing

in balloon, fingerprinting in strawberry drawings. Appreciation badges were given to selected students as Mr. Red, Miss Red and for the efforts put in by them.

# PRE-PRIMARY WING

## Be fit and smart

The Tiny Tots from the Preparatory section celebrated "Be Fit and Smart" on 22<sup>nd</sup> June in the Audio Visual Room. A Talent hunt activity in the school was organised with the purpose to make children aware about the different ways to be smart and fit. Videos on activities like healthy habits, table etiquettes and exercises were shown. Few games through flash cards were also played. Children participated enthusiastically in the activities. It was a great learning in a play way method.

## Sorting of grains

*Happiness lies in the joy of achievement and the thrill of creative effort.*

To develop fine motor and cognitive skills, 'Sorting of grains' competition was organised for the Tiny-Tots of Nursery section of the school on 28<sup>th</sup> June. Children waited eagerly to sort the grains and performed incredibly and wholeheartedly. They sorted grains in a very short span of time with commendable performance. Teachers of Nursery judged them based on time taken for sorting of grains. Based on their judgment five paramount students from each section were appreciated with the badges.

## Fun in sunny day

*Flowers cannot blossom without sunshine as tiny tots cannot enjoy splash without pool*

Tiny tots of Pre-Nursery celebrated "Fun in Sunny Day" on 25<sup>th</sup> June in the school premises. Children came dressed up in colourful attire for an outing in the school with their funky goggles. The day was enriched with activities like sliding, climbing, etc. They posed in front of the camera with their friends and teachers in goggles for sweet memories of the day. To beat the extreme heat, they had a splash in the "Baby-Pool" and splashing dancing peppy water and on the music.

## Tang : The Summer Cooler

*Summer is here. Let's have Tang it's refreshing.*

A Summer Cooler Activity was conducted for the students of pre-primary on 29<sup>th</sup> June. Children brought Tang powder of different flavours and enjoyed preparing the summer coolers with the help of their teachers. They had a refreshing treat by quenching their thirst. It was a fun learning activity as they learnt about exploring capacity by pouring water into different containers. The day ended by clicking photographs and each one had a wonderful time.

# Primary Wing

## Colouring Competition

***'Every child is an artist'***

To explore and ignite the creative potential of the young minds, the Primary Wing organized an interclass colouring competition for the students of standard I & II on **29<sup>th</sup> June**. The theme was 'Shades of Colours' for Std. I and 'My Colourful World' for class II. Individual sheets were provided to the students of standard-I and II with interesting outline images of 'joker' and 'scenery' respectively.

### LET'S SHARE HAPPINESS

As it is rightly said, 'Every human on Earth has been given a chance to fulfill their own unique mission.' A birthday is an important and momentous occasion not to be understated especially in the case of children. Keeping in line with this thought, the Primary Wing organized an activity '**Let's share happiness**' for the students of Class I on **10<sup>th</sup> April**. The effervescent students shared their happiness with each other by creating and making their own birthday cards. The

activity gave wings to their imagination. All the students were provided with the square shaped cut-outs and pertinent guidelines related to the activity were given by their respective class teachers. Decorative material and riot of colours transformed the plain cut outs into beautiful cards. All the students displayed enthusiasm and completed the assigned task.

The children showcased their creative skills in colouring and came up with amazing art work. Each of the drawings was a treat to the eyes. The enthusiasm in all the students was contagious.

# Art and Craft Competition

*“Art is as natural as sunshine and as vital as nourishment.” – MaryAnn F. Kohl*

DPSG has always endeavoured to maintain equilibrium between academics and extra-curricular activities for holistic development of the students. The Primary Wing of Delhi Public School, Gandhinagar organized a series of Art and Craft

Competitions for the students of Standard III, IV & V on 29<sup>th</sup> June.

This competition provided a unique platform to all the students to explore their creative side. The highlights of the 'Art and Craft Competitions' were: Button Art for Std.III; Photo Frame with collage Work for Std.IV ; The art of puppet making for Std.V. The

competition was a welcome change from routine activities as it generated a lot of excitement. The creativity displayed by the students was a sight to behold.

The enthusiastic participation of all the students was ably supported by their teachers making the activity vibrant and fun filled. The winners in each standard were felicitated with certificates.

*“If you are  
‘Fantastic’  
then do  
something  
‘Drastic’  
to cut the  
‘Plastic’.”*

## *Don't be drastic; Say “NO” to plastic.*

An assembly was organised by the students of class V-F on 29<sup>th</sup> June 2018 on “Say No to Plastic” to bring awareness among students to say no to plastic and educate people not to use, sell or buy plastic items. Prayer, Pledge, Thought and News was followed by an entertaining and educative Skit on Say No to Plastic.

# Learning Beyond the School Campus

## Adventure Camp at Chail-Sadhupul (HP) and Shimla

Of all the diverse experiences that a student treasures, school trips are always the most cherished ones. The adventure camp attended by 118 students of Std. VI & VII, from 15 to 21 March, 2018 was no exception.

The camp site at Sadhupul (15 km before Chail) proved to be breathtaking. Trekking through dense woods with tall pine trees was like becoming one with nature. Several activities/adventurous games kept the students joyfully engaged.

Adventure camps are a great way to infuse discipline, comradery and bonding amongst students and teachers apart from rendering all rejuvenated and reenergized.

## Exploring "The Jewel of Hills" - Panchmarhi Class IX & XI (Boys)

Yet another group of bag packers went on a trip to Panchmarhi, a historically significant place in M.P. Itching to unwind were the boys of IX & XI. Fifty nine students accompanied by two teachers left on 16 March to return on 21 March. The days were spent in trekking down to voluminous waterfalls, Mahadev Cave, Gupt Mahadev a 30 ft. narrow way to see a natural Sivalingam and Handi Khoh. Students were quite fascinated by Panch Pandawas Caves – where Pandavas had spent one year while they were in exile.

## Learning Beyond the School Campus

### Exploring "The Jewel of Hills" - Panchmarhi Class IX & XI (Girls)

A group of twenty two bubbly girls of class IX along with their teachers too set out to distress and explore Pachmarhi, Madhya Pradesh from 18th March to 23rd March, 2018. The young girls were thrilled visiting lake Nauka Vihar, beautiful sunset at Rajendragiri, Bee Falls, Mahadev Cave, Gupt Mahadev, Panch Pandav Caves, etc. It was indeed a great learning experience for all with only one thought - "I read, I travel, I become".

### Trip to Hyderabad-Ramoji film city

Ninety students of Class VIII along with teachers were taken on an excursion to Hyderabad from 17th March to 22nd March 2018 after their Annual Exams. The students were overawed by the brilliant engineering and architectural marvel at Ramoji Film City. They thoroughly enjoyed visiting Golconda Fort, Char Minar and Salar Jung Museum, vintage cars, Hussain Sagar Lake and Ramoji Film City. The journey ended on a good note leaving everyone with everlasting blissful moments.

## VISIT TO RAILWAY STATION

Providing hands on experience is an integral part of teaching in the school. The students of class II visited Gandhinagar Railway Station on 21<sup>st</sup> April. Indian Railway system is the fourth largest network in the world and forms the backbone of transport in India, for goods and passengers alike. Hence, a visit to the railway station is always a very interesting and unique learning experience.

The students got an opportunity to experience the process of buying a platform ticket and then entering the Railway Station. The students were thrilled to see the bustling platforms. They visited the waiting room, railway book store and canteen for passengers. As part of learning, the students also pasted their individual platform tickets in their scrap book.

## FIELD TRIP TO ENVIRONMENTAL SANITATION INSTITUTE, SUGHAD

*"WHEN WE HEAL THE EARTH, WE HEAL OURSELVES"*

On the eve of **WORLD EARTH DAY**, the students of class V went on a field trip to ESI, SUGHAD. ESI is an NGO working since 1985 on Gandhian Philosophy of eradication of untouchability. The eco-friendly site reflects the spirit of Gandhi as well as his dedication to create a world, free of untouchability, pollution and waste. It works towards sustainable symbiosis of man, nature and architecture. Rain water harvesting, generating biogas, organic plantation, fruit gardening are the different areas of interest for children.

230 students visited the NGO in two groups on 20 & 21 of April during school hours. Children were enthralled to see the scenic beauty of the ecofriendly and no waste management centre. They spent nearly two hours, learning and talking with the resource people and also handed over few saplings as a token of gratitude. Students brought back with them the ideas to save the Mother Earth. They vowed not to harm the same, also to save the environment from further degradation. They also learnt THE DIGNITY OF LABOUR since the institute does not hire people for cleaning the campus. It is all done voluntarily by students and people from different NGOs. In a nutshell, the amount of hard work put into making this institution, is astounding. It was a great learning and humbling experience for students and teachers alike.

### Educational Trip to Gandhi Ashram, Sabarmati

*'Be the change you want to see  
in the world' – Mahatma  
Gandhi*

To provide an insight into India's freedom struggle and the efforts put in by the 'Father of the Nation - Mohandas Karamchand Gandhi' in achieving independence. Delhi Public School, Gandhinagar organized an educational trip for 232 students of Std.III to Gandhi Ashram, Sabarmati on **22<sup>nd</sup> June**. The simple and peaceful ambience of the ashram was a welcoming change from the hustle and bustle of city life.

The students were fascinated by the large number of original manuscripts of Gandhiji's letters and articles on display in the museum. The tour provided a captivating glimpse into the life and work of Mahatma Gandhi. It gave them an insight into India's freedom struggle and the ideology of truth and fearlessness promoted by Mahatma Gandhi. The students took keen interest in the exhibit of the three monkeys of Gandhiji and the philosophy behind them.

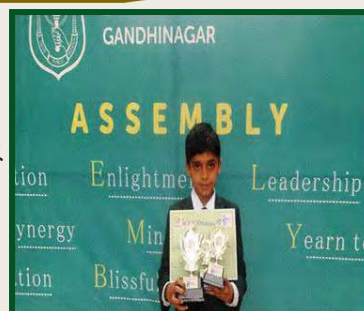

It was an educative and inspiring experience for all the students. It helped them to learn about our past heritage and the struggle put in by our freedom fighters to achieve independence. They also learnt the golden principle of life 'Simple living and high thinking'.

### COMPETING BEYOND SCHOOL CAMPUS

Vyom Dave of class **III C** brought accolades by winning trophy in English and Mathematics at the City level competition organized by a renowned institute for brain development, the Institute of Genius Abacus and Vedic Maths. He bagged the first runners-up trophy for his vast General Knowledge.

## Enrichment Programme for Teachers :

The programme commenced with a workshop on Effective Communication Skills, conducted by Headmistress Secondary Wing Ms Manju Dabi on **13<sup>th</sup> June**. Innovative methods to make teaching process more effective in the classroom were discussed. She emphasised on the 7C's of communication – credibility, courtesy, clarity, correctness, consistency, concreteness and conciseness. She further emphasized on how to create safe classrooms to face different challenges, to promote self-regulation by encouraging student input for classroom procedures.

## Workshop on Professional Ethics by Pre-primary Teachers

**Professional Ethics:-** Ethics is knowing the difference between what right you have to do and what is right to do. To guide teachers about the ethics of teaching profession, a workshop was organised by Ms. Neeti Jain on **15<sup>th</sup> June** in the school campus for the Pre-Primary teachers. Through PowerPoint Presentations, role play and discussion, teachers were explained about the difference between ethics and responsibilities. All the teachers participated in the activities conducted during the session, which ended with a hope that learning will be followed effectively in the class.

## Understanding Emotions and Building Self-Esteem in Adolescents

An interactive session was conducted by Ms Manobina Chakraborty (School Counsellor) on **14<sup>th</sup> June**. The session started with an activity wherein all the participants were given a piece of paper and asked to jot down their feelings. The anonymous chits were then collected and read out by a few volunteers. It was found that a lot of participants were struggling with their emotions at that point of time.

The speaker then compared that situation with a classroom where a child and a young person has different emotions at a given time, but they are expected to behave, pay attention and reciprocate in a strictly defined way. The session had three short but very impactful videos along with a PowerPoint presentation and some anecdotes. The comparison between 'healthy' and 'unhealthy' self-esteem; biological, physical, psychological reasons of

different emotions in adolescents; and the different aspects of those emotions were discussed with examples of the real life situations.

The participants wholeheartedly participated in all the discussions and came out with some wonderful ideas towards solutions of a few existing problems in dealing with teenagers in the school.

### Workshop on disaster management

"We cannot stop Natural Disaster but we can arm ourselves with knowledge: so many lives wouldn't have to be lost if there was enough disaster preparedness." With the same purpose, the workshop was conducted on **13<sup>th</sup> June** to impart training to teachers to be prepared for unforeseen situations. The session comprised of three short but very impactful videos along with a PowerPoint Presentation and some anecdotes. Introductory session where natural disasters were discussed. The importance of Safe Schools and its construction was explained. The Session concluded with the discussion of Risk reduction possibilities. Overall the workshop was good and all the teachers came with concrete solutions about how to overcome natural disasters.

### To React or to Respond

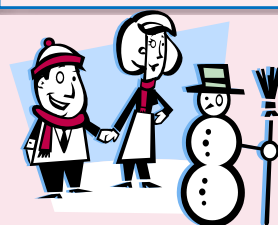

The Primary Wing of Delhi Public School, Gandhinagar organized a teacher's workshop on **23<sup>rd</sup> June** to understand the needs and challenges of students and fellow colleagues and develop their ability to respond to situations rather than react. The objective of the workshop was to enhance skills of primary teachers to enable them to impart child centric quality education through professional teaching method, as well as to maintain a healthy student - teacher and teacher-teacher relationship by building confidence and positive attitude. Teachers who conducted the workshop put in their best efforts to showcase and focus on the need to cultivate this skill with the help of various audio-visual tools such as PowerPoint presentations, videos, story-telling, activities followed by question and answer session.

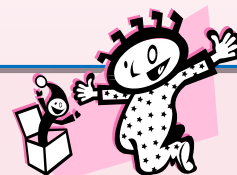

### Bridging the Gap between Primary School and Middle School

"If you keep your attention focussed on your goals, you will never notice the obstacles and pitfalls in your way." Keeping this thought in mind a workshop was conducted by Ms Nisreen Kakkai and Ms Parveen Trikha for the staff members on **23<sup>rd</sup> June** on the topic 'Bridging the Gap between Primary School and Middle School'.

One of the most important issue of all the schools across the globe was discussed. The major factors that creates this gap and all possible solutions to bridge this gap were discussed with maximum participation of teachers present in the workshop. It was truly fruitful and interesting as almost all the teachers had an active participation in the discussion and trying to suggest solutions to minimize the problems faced by the students and the teachers during this transition.

The workshop ended with a hope that if we work together we may be able to bridge this gap as "Hope has a quality of a spider's web, incredible strength rising out of tiny strands."

## Understanding Emotions of Child

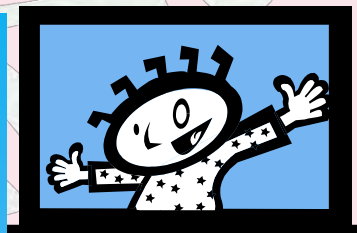

Delhi Public School, Gandhinagar organized a workshop for teachers on understanding emotions of a child on 23<sup>rd</sup> June. It was conducted by the faculty members, focusing on different emotions of the children. The purpose of the workshop was to provide a learning opportunity for teachers to develop themselves to work with children having a broad range of social and emotional difficulties. This would help them guide their students focus on academic excellence. The teachers who participated in the workshop had excellent feedback of the sessions and special appreciation for all the resource persons. It was an extremely practical, informative, well organized and fun workshop.

## Workshop on Capacity building programme on Gender Sensitivity

On 30<sup>th</sup> July an informative one day workshop on "Gender Sensitivity" was organized under the aegis of Bhagwati International School, Patan. Two teachers Mr. Laxman Mali and Ms. Anshu Sharma from our school got the opportunity to be a part of it. The workshop commenced by a welcome address by Mr. Rajendra Malwal. Resource persons were Mrs. Rekha Shah and Mrs. Preeta Pillai.

They highlighted the role of educators and management in making a gender sensitive school. Several group activities were conducted on the topics like how to deal power struggle between girls and boys in your class, different forms of violence perpetrated in the school etc. It was a good experience to gather knowledge from the Resource experts, team members, and the delegates in a very appealing manner.

## 10 Success Principles to remember

### ☉ You are the only person responsible for your success

The best part of your life will start on the day you decide your life is your own. You are in full control of your future.

### ☉ You don't have to invent the wheel

Lots of success were found just by taking something that already existed and simply putting their own twist on it.

### ☉ There is no progress without action

What is not started today is never finished tomorrow. Just remember, no action results in a 100% failure rate. So get into action now and begin to move in the right direction.

### ☉ Persistence always wins

As Winston Churchill once said "Success is stumbling from failure to failure with no loss of enthusiasm." A river cuts through rocks because of its persistence over time.

### ☉ Focus is everything

If you never focus clearly on something, you will never be 100% efficient at anything. Multitasking usually reduces your efficiency in dealing with each individual task.

### ☉ Failure is necessary

If what you did today didn't turn out as you hoped, tomorrow is the new opportunity to do it differently. Interpret each failure as a lesson on the road to success.

### ☉ Positivity fuels productivity

Success comes from positive energy. You can choose to get caught up in the negativity surrounding or you can decide to do something positive about your situation.

### ☉ You must believe you can

You must find the place inside yourself where anything is possible. It starts with a dream. Dream becomes a reality with commitment, action, determination and time.

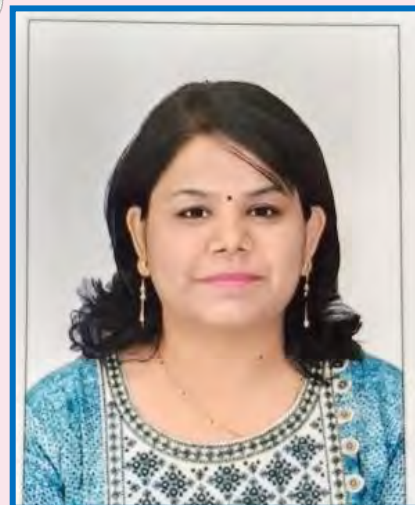

### ☉ Helping others is a big part of being successful

Successful people constantly come up with new ways of helping others. Your long term success is directly tied to how well you serve your community.

### ☉ Success is a journey of countless baby steps

It's a constant process of growth. If you want to be successful, you must continue to hold yourself to higher standard than anyone else and strive to improve.

DEAR FRIEND,

The night has fallen,  
the day has gone.

The moon has taken  
the place of the sun.

So close your eyes and  
snuggle up tight,

The angels will watch over you tonight.

Because, dear friend,  
you are a soul so sweet,

on a level so epic that the basics would fail  
to meet.

With all the humor and  
the charm you contain,  
you can for sure bring a smile to anyone,  
Oh that's certain.

In the end I would like to tell people,  
rather, advice,  
to never ever, by any chance, lose a person  
like you

Because you are as precious as gold,  
It would be their broken destiny  
otherwise.

Be careful, behold.

## HOLI CELEBRATION

*Holi is a time to reach out with the colours of joy.*

To keep the tradition of celebrating festival of colours "Holi" and to fill the hearts of kids with colourful, radiant and vibrant sentiments, a Holi Mela was organised on **1<sup>st</sup> March** at Saaransh Foundation in presence of Director Mrs. Rani Chaudhry. Children purchased eateries of their choice from the counters displaying biscuit toppings, juices and handmade chocolates prepared in Pehchan. The event was made more beautiful when students enjoyed splashing eco-friendly colours on one another. It was indeed a fun-filled festival of colours which took place with a lot of joy and fervour.

## DOWN SYNDROME DAY

*Don't let anyone tell you what you can't do.*

*Show them what you can do.*

Every year Down Syndrome day is observed on **21<sup>st</sup> March**. The date is special and represents how people with Down syndrome have 3 copies of the 21<sup>st</sup> chromosome. At Saaransh Foundation we celebrated the day by wearing different shades of purple and mismatched socks to spread awareness. A beautiful dance was presented by our Down syndrome Children. Saaransh corridor was decorated for the day to spread awareness.

## WORLD AUTISM DAY

*I cannot change the way you think of the world....*

*So I will change the way the world thinks of you.*

**World Autism Awareness Day** was observed on **02 April** with great enthusiasm at Saaransh foundation. All the members of team Saaransh were dressed in blue as it is considered colour of Autism. The key components of the day were 3 A's - Awareness, Acceptance and Appreciation. To encourage the creativity of children, a display of jewellery made by them was kept in Pehchan (Vocational Rehabilitation unit).

## FATHER'S DAY

Father's day and Eid which was celebrated on 18<sup>th</sup> June, the first day after the vacations with merriment and joy at Saaransh Foundation. Activity based on Card Making for father's day was conducted in different classes. Eid was also celebrated with great fervour. Teachers enlightened the children about the festival and served "Sheer Khurma" (sewai) prepared by teachers for this occasion.

## WORKSHOP

Ms. Archana Garg (Rehabilitation Psychologist) conducted a workshop on team building on 13<sup>th</sup> June. The first session included activities to build understanding among the team mates, planning, observation, co-ordination. The session focused on vocabulary building by play way method and Pictionary. All teachers participated with full enthusiasm.

Ms. Glads Joseph (Speech Therapist) took a session on 14<sup>th</sup> June in which she explained the basics of speech therapy. Interesting techniques were shared by her which can be applied by teachers in regular class. The session ended with discussion of concerns of teachers and ways of handling those concerns.

On 15<sup>th</sup> June Ms. Rachana Desai (Occupational Therapist) gave a brief introduction on occupational therapy and various areas in which an occupational therapist works. Discussions were done on Sensory Input therapy and protocol followed by them.

# CSR ACTIVITY

## WE CARE FOR YOU

After battling with winter, harsh summer poses another set of challenges for the homeless as temperature soars into the forties. The CSR Cell of the school organized a 'Joy of Giving' program on **21<sup>st</sup> April** to provide help to the homeless and underprivileged by donating summer kits. The summer kits consisted of tetra packs of juice, lassi, buttermilk, glucose/tang, talc and caps.

The students of class III and IV and their parents played a vital role by generously contributing in this program.

These summer kits were distributed on the streets of Motera.

# CSR ACTIVITY

## JOY OF GIVING

*“We make a living by what we get.  
We make life by what we give.”*

On **30<sup>th</sup> June** to exalt the spirit of aspiration for education, the CSR team of Delhi Public School, Gandhinagar on its mission to succor numerous students took their first step towards the school, a programme was conducted to distribute School Kits in the government school of Koba village and few slum areas near Koba.

Most of these children were first generation school goers and providing them with an opportunity to gain education is the first and big step in helping their families to come out of the circle of poverty. Members of Team CSR along with 10 students set out on **30<sup>th</sup> June** to bring a smile on those faces who really long to study but due to insufficient resources, are unable to make it happen.

The school kit, an assorted set of materials contained school bag, notebooks, pen, pencil, eraser, tiffin box, water bottle, and geometry box. Students of classes V and VI with ardor contributed all this for making the programme a big success.

DPS Gandhinagar conveys its heartfelt gratitude to the parents for their overwhelming involvement and their contribution in this noble cause.
