Title: Tiny Chef Event	Date: 21.2.25
Venue: Respected Classes & A.V. Room	Class: UKG

“No One Is Born A Great Cook, One Learns By Doing It.”

Food brings an element of fantasy and play for children while also requiring creativity and inventiveness. **The Tiny Chef** Event was organized for UKG students on February 21, 2025, at Delhi Public School Gandhinagar. The event aimed to introduce young learners to the joys of flameless cooking through fun and hands-on activities. It focused on developing fine motor skills, creativity, and healthy eating habits. Our learners prepared healthy dishes and yummy lip-smacking child-friendly recipes such as fruit salads, sandwiches, and no-bake cookies. Children learned basic skills like spreading, mixing, and arranging ingredients. The little chefs proudly tasted their creations. They shared their food with classmates, encouraging social interaction and teamwork. The judges (Darshika Thaker & Mamta Jethani) and our Pre-primary Incharge Ms. Neeti Jain had a tough time deciding the winners as the tiny tots were amazing at their work. The best five students were adjudged and were given a certificate and an appreciation badge in their almanac. It was a great way to create awareness about the nutritional value of food cooked without flame, the necessity, and the advantages of healthy eating to encourage our learners to avoid junk food. It was indeed an enriching experience for the young minds.
