On January 13, 2025, the Primary Wing of Delhi Public School Gandhinagar held an engaging assembly to celebrate Uttarayan. Students showcased performances highlighting India's diverse traditions while discussing the festival's astronomical and seasonal significance, marking the start of the harvest season. The event emphasized joy, unity, and the importance of commemorating festivals with respect.

Objectives of the Event

- The goals were to foster cultural appreciation, teamwork, environmental awareness, and patience, enriching students' understanding of diverse traditions
- Additionally, we aimed to cultivate a spirit of fraternity, unity, and collaboration.

The Event & Participation

Uttarayan, filled with colorful kites and festive spirit, reminds us of our gratitude toward Mother Earth. The captivating group dance by Class III F and I D illustrated this connection, while performances also showcased regional festivals like **Makar Sankranti**, **Pongal**, **Lohri**, and **Bihu**, each with unique customs and delights. The assembly provided a wonderful opportunity for students to appreciate the unity in India's diversity.

Our Headmaster, Mr. Rakesh Kumar Bhagat, enriched the occasion with his heartfelt address, inspiring us to embrace the spirit of this festival while emphasizing safety during kite flying. His message encapsulated the essence of Uttarayan, motivating us to soar high with hope and goodwill
