**“Colours are brighter when the mind is open.”**

Art is one of the best means to inculcate self-expression, imagination, and creativity in children. Colouring helps children develop the coordination needed for task like writing, and holding crayons helps build fine motor skills. To encourage the same, Delhi Public School Gandhinagar organized a **“Little Artist Event”** for the Nursery students on January 29, 2025. The little artists were provided crayons and a colouring sheet in which they showed their creativity and different colour combinations. The criteria for judgement were colour combination, neatness, and overall presentation. It was a very successful and memorable event as all the little Picassos proudly displayed their fine art and posed happily. The winners of the event were:-
