<b>Title: Annual Picnic</b>	<b>Date: February 21, 2024</b>
<b>Venue: : Pleasure Club</b>	<b>Class: Pre-Primary (All Classes)</b>

**“The grass is always greener when you’re on a picnic with your besties.”**

A picnic is an opportunity to step outside the hustle and bustle of daily life and reconnect with nature. DPS Gandhinagar organized an Annual School Picnic at Pleasure Club, on the outskirts of Ahmedabad on February 21, 2024, with approximately 170 Pre-primary students. The children boarded the buses singing, clapping, and rejoicing, as they left the campus. It was an hour’s drive, and breakfast awaited the children upon arrival. The children were lined up for multiple joyrides including, the merry-go-round and the mini roller coasters. All this walking and playing made our little ones hungry, so it was time for the lunch break. The kiddos gorged on delicious GulabJamun, fryums, and hot puris! Post lunch, our little Muppets enjoyed the “Magic Show” which began amidst a lot of clapping! They rested for a while and then danced vigorously to the tunes played in a mini discotheque. Energetic music filled the air and the children enthusiastically participated in the dance party. With this grand finale, it was time to call it a day and time for the cuties to say goodbye to their beautiful picnic spot! The picnic at Pleasure Club was a resounding success, offering students a day of relaxation, recreation, and connection with nature and each other. It served as a reminder of the importance of taking breaks, enjoying the outdoors, and building meaningful relationships outside of academic settings.
