

DELHI PUBLIC SCHOOL GANDHINAGAR
Academic Session 2024-25
Event Report

Title: Rhyme and Rhythm Event	Date: 16.12.24
Venue: Auditorium	Class: Nursery

Rhymes are an integral part of Nursery education, as they help children enhance their musical and aesthetic awareness. To spread the fragrance of poetry and to develop oratory skills, Delhi Public School Gandhinagar, organized a Rhyme & Rhythm event for the Nursery students on December 16, 2024. Our cute poets enjoyed the beauty of expression, thought, feeling, rhyme, rhythm, and the music of words. The tiny tots of the Nursery came up with a variety of rhymes and recited them with great zeal and enthusiasm. Students were evaluated using a rubric that included introduction and overall presentation criteria. At the end of the event, teachers expressed their appreciation and applauded the students' performance. The stellar performers were awarded certificates and praised for their capabilities. Such events help the students to overcome stage fear, enhance their confidence, and develop their overall personality. Children participated in the competition with a lot of excitement and zeal. It was endearing to witness the little poets and their endearing expressive styles. The winners of the event were:-
