**“Storytelling is the most powerful way to put ideas into the world”.**

On January 28 and 29, 2025, Delhi Public School Gandhinagar hosted **The Story Telling Event**, where UKG children took the stage to share their creative and imaginative tales. The event aimed to foster the development of speaking, listening, and innovative thinking skills in young children, while providing them with the opportunity to express themselves in a fun and supportive environment. The stories were diverse and imaginative, ranging from fairy tales to animal adventures and personal experiences. Each child had 5-6 minutes to present their story, and the performances were accompanied by bright costumes, props, and, in some cases, pictures to illustrate their tales. The main event consisted of the children presenting their stories to a panel of judges, our Pre-primary in charge, and an energetic audience of their peers. The students were judged based on the parameters of introduction and overall performance. The top five students were selected and given a certificate and an appreciation badge in their almanac. The day concluded on a jovial note, with the judges appreciating and applauding all the students for their wonderful performances.
