Academic Session 2024-25
Event Report

Title: Animal Day	Date: 2.9.24
Venue: Audio Video Room	Class: Nursery

Celebrating animal life in all its forms and being thankful for how animals enrich our lives is a great way to help children learn more about different animals. With this in mind, Delhi Public School Gandhinagar organized “Animal Day” for the students of Nursery on September 2, 2024. The children came dressed as their favorite animals and mimicked them by making their sounds and walking like them in the animal kingdom created by the teachers. Students also enjoyed a story about animals and danced to an animal-themed song. The celebration indeed sparked curiosity among the children to learn more about the importance of animals in our lives. Through this endeavor, the school aimed to develop a sense of responsibility and compassion towards animals among the young minds.
