### *"Small hands can make big masterpieces."*

To spark creativity and instill national pride among our youngest learners, a **Collage Making Competition** was held at Delhi Public School Gandhinagar for the students of LKG on January 28, 2025. The competition focused on creating a collage on the given picture of a butterfly using craft papers in the colours of the Indian national flag: saffron, white, and green. The activity aimed to introduce the children to the symbolism of the national flag while enhancing their artistic and fine motor skills.

Armed with tri-colour craft papers, the little ones demonstrated their creativity by tearing and pasting pieces onto the given picture and making collages using tri-colour combinations. All the students actively participated with great zeal and excitement. The performance of all the students was commendable. The competition was a delightful blend of art, learning, and patriotism, leaving a lasting impression on everyone present. It was heartwarming to see the youngest members of our school community engage so meaningfully with the theme.

The sheets were adjudged by the Art teacher, Ms. Poorvi based on neatness and colour combination. Five students from each section were acknowledged for their performance with a Certificate of Merit and an appreciation badge. Winners from each section are mentioned below:
