***“A grandparent is someone with silver in their hair and gold in their heart”***

In today's fast-paced, technology-driven society, the idea of "acting like your grandparents" serves as a reminder to slow down and appreciate the more enduring aspects of life. To instill these values, “Enactment Day” was celebrated for UKG students of Delhi Public School, Gandhinagar, on September 4, 2024. Acting like your grandparents is a simple idea that helps us remember to do things that make us kind, helpful, and good friends. Our grandparents, like our grandmas and grandpas, often teach us important lessons about kindness, sharing, and taking care of others. Our students enacted different roles of grandparents, showcasing their love, care, and wisdom. They presented heartfelt performances, including songs, dances, and poems, to express gratitude towards their grandparents. The photo shoot with various props was the cherry on top. As part of their portfolio activity, students created handmade cards for their grandparents, expressing their love and appreciation. The enactment of grandparents was a heartwarming event that brought together our young learners and their families.
